Student Assistance PROGRAM (SAP)

Here's WHERE you can get help for your child...

For the Middle School & High School

Student Assistance Program:

- Pottstown School District
- Upper Perkiomen School District
- Perkiomen Valley School District
- Pottsgrove School District
- Spring Ford Area School District
- Boyertown Area School District
- Pope John Paul II High School

For the Elementary Student Assistance Program:

- Pottsgrove School District
- Boyertown Area School District

Here's HOW you can get help for your child...

***The SAP Process:**

Referral -- Planning – Intervention – Support

Referral: Call us at 610-948-6490 to get started. Anyone, including the student, may refer a student to SAP when behavioral concerns exist. Permission to proceed with the SAP process is obtained from the parent.

Team/Family Planning Meeting: Objective academic performance information is gathered from school personnel who have contact with the student. The SAP team meets with the parent and student for further input and to discuss the information collected. A plan for in-school and/or community-based services and activities is developed.

Intervention Recommendations: An individualized plan is put into action. The SAP team liaison assists in linking the student to in-school and/or community-based services and activities.

Support: The SAP team continues supporting the student and family by monitoring, mentoring, and motivating for academic success.

**Source: Commonwealth of Pennsylvania Student Assistance Program*

Eligibility for SAP: Children and adolescents enrolled in and attending school in one of the participating districts may be referred by a family member, school personnel, or a behavioral health/social service provider. The SAP Liaison will assist with insurance particulars (Medical Assistance or private insurance).
