Child & Adolescent Services

Painful feelings can arise when children experience traumatic events. Adverse Childhood Experiences (ACEs) can lead to behavioral health problems like depression and addiction later in life, if they remain untreated.

Child & Adolescent Services at Creative Health promote hope and healing for a child or adolescent experiencing depression or anxiety, trauma or loss, behavioral difficulties, eating disorders, or family relationship issues—to name a few.

- Montgomery County Case Management for Children
- Counseling/Mental Health Outpatient Services
- Counseling/Drug and Alcohol Outpatient Services
- Student Assistance Program/SAP
- Extended Assessment
- Children's Outpatient Program of Empowerment/COPE
 - Day, After School and Summer Programs
- Sibling Support Workshop/Sibshop & Sibteen
- Domestic Violence Prevention & Intervention/SAFE for Children
- Berks County Brief Treatment
- Wraparound/BHRS
- Family Based Services

These programs are offered in multiple locations and are designed for children and adolescents up to and including 21 years of age, with varying eligibility requirements, dependent upon the program.
